

1-Day Introductory Pistol Course, “Brilliance in the Basics®”

The introductory pistol course is designed to markedly increase the skill level of the novice pistol shooter. The course will consist of approximately 1 hour of classroom instruction on firearm safety, firearm operation, and the cognitive aspects of marksmanship. Classroom instruction is followed by 7 hours of progressively challenging drills that involve a variety of shooting positions, distances, and situational nuance. These drills will primarily originate from the holstered position and are designed to improve both speed and accuracy. Upon completion of this course the student will have a thorough understanding of firearm safety, firearm operation, and the ability to engage multiple targets at distances up to 25 yards.

Course Objective: The student will gain a high level of confidence in the safe handling and operation of a pistol and show a marked improvement in accuracy and speed of target engagement
