

2-Day Tactical Pistol and Carbine Course “Brilliance in the Basics®”

This course is for the experienced pistol and carbine shooter who desires to learn a variety of tactical applications involving both firearms. The course will consist of approximately 1 hour of classroom instruction on firearm safety, firearm operation, and the cognitive aspects of marksmanship. The remaining 15 hours will consist of a variety of progressively challenging drills and events. Upon completion of the course the student will have a thorough understanding of firearms safety and marksmanship fundamentals and how to tactically maneuver and engage multiple targets from a variety of firing positions with the semi-automatic pistol and carbine.

Course Objective: The student will demonstrate a high level of tactical proficiency and accuracy with the semi-automatic pistol and AR-15 type carbine

Enabling Objectives:

- General firearms safety
- Verify safe, loading, and unloading procedure
- Diagnostic evaluation with both weapons
- Sights, zeroing, external ballistics, slings, holster, equipment setup
- Fundamentals of rifle and pistol marksmanship
- Reloading & malfunction drills
- Shooting positions
- Multiple shots / multiple targets Drills
- The Set-up and shooting on the move
- Shooting from barricades & covered positions
- Efficient training methodology and drills
