

North Carolina Concealed Carry Handgun Course

This course is designed to teach the laws governing the use of deadly physical force, the concealed carry statute and relevant issues related to carrying a concealed handgun in the state of North Carolina. This course further teaches the attendees correct weapon handling skills, the fundamentals of pistol marksmanship and how to safely draw the pistol from the holster. With a passing score of this course the attendee can apply for their North Carolina Concealed Handgun Permit.

Course Objective: Student will successfully pass cognitive and practical examinations in accordance with North Carolina Concealed Carry statutes.

Enabling Objectives:

- Safe handling of the handgun to include loading, unloading, storing or securing, and firing the handgun.
- Fundamentals of pistol marksmanship
- The major parts of the revolver or semiautomatic pistol
- Provisions under NC Common Law in which the use of deadly physical force would be justified.
- Identify the places that handguns may not be carried even if the individual has a Concealed Carry - Handgun permit.
- Presentation Techniques (drawing your handgun)
- Cleaning and Maintenance
- Ammunition
- Proficiency Test (must hit target 28 out of 40 shots fired) that is the NC State requirement.
- Shooting is done from the 3, 5 and 7 yard lines.

Note: *This class is designed for persons who are familiar with their handguns. If you are not comfortable with a handgun, or have never fired before, you should consider our “4 - Hour Introductory Pistol” class prior to the CCH class.*

Ammo requirements (Student Furnished): 150 rounds of pistol ammunition.

Prerequisite: None

Training schedule: Show time is 7:45 am with instruction starting at 8:00 am.
